Subject: Talking points for Virginia Loranger

Hi, Rebecca & Rich.

Virginia Loranger from Sen. Tester's office requested our comments on an article in the Hungry Horse News (http://www.flatheadnewsgroup.com/hungryhorsenews/cfac-presents-its-case-against-superfund-listing/article_5ee446f4-0bd0-11e5-b95d-cf24974d0323.html) as well as on the attached press release from CFAC. The site team put together the attached talking points in response. (This content assumes the General Notice Letter, Administrative Order on Consent, and Statement of Work are mailed tomorrow). Rob Parker will be emailing the talking points to Virginia and Mike Cirian will call her to follow up.

Please let me know if you have any questions or would like additional information.

Thanks!
